Not a problem driving down, the roads look okay. Things like this are easier to discuss face-to-face I think. What's the HW address? We can talk RnB after; I can't imagine the GK meeting lasting more than an hour or an hour-and-a-half.

Allen - if you would prefer, I'm sure we could call you from the HW office. Having you there would be great but long drive for that.

I would like to talk w you Matt about the R nB. We could that before or after the GK meeting w HW.

Let me know.
